Dear Pastor Billingslea:

I have reviewed your request to purchase a piece of property at 2302 E Birch for the purpose of conducting youth activities to include operating an archery and/or paintball range. I have spoken with city staff and the police department and do not have any issues with your request.

Please continue to work with city staff to implement your plan. I recommend working with Chris Bauer and Angela Rasmuson on any permit requirements and Captain Gary Fuxa on public safety requirements for the archery and paintball range.

I am giving you an exception to subsection A of the City Municipal Code 5-5G-2 B. 5. and authorizing the discharge of paintball guns in the city limits as long as you have complied with the reasonable safety requirements specified by Captain Fuxa which include netting, safety backstops and appropriate safety equipment. You can contact him at 580-616-7055 or gfluxa@enid.org.

Please contact me with any questions at 580-616-7245.

Sincerely,

Jerald R Gilbert
City Manager
