

1. You will be notified and scheduled 2 days to 1 week in advance of groups arriving.
2. You must arrive at the field 2 hours prior to group. Open up field with music playing at the pavilion. Ride across the field to pick up trash.
3. Set up usually includes opening sno cone shack, paintball shack, cleaning, prepping guns, cleaning masks, filling air tanks, opening zipline, setting up archery or RC cars when needed. Cleaning Aviary may be necessary.
4. Cleaning and organizing includes hanging ref shirts, whistles, sweeping floors, separating scuba tanks, etc.
5. All referees must watch ALL safety videos on our website.
6. When groups arrive, greeting and signing in is a must.
7. Happy, helpful, positive attitude with customers is absolutely required.
8. At no time can referees leave the group. It is your job to keep them safe and lead the activities.
9. If you need a break, check in with the general manager. You only work a 5 hour shift. NO break at work is guaranteed.
10. Clean up, lock up following groups departure is required.
11. You are required to wear a ref shirt and whistle. Mask is required during paintball.
12. Communicate with general manager with any questions during groups activity.
